

Dear Prospective Dairy Comp 305 user:

Thank you for your interest in Dairy Comp 305 herd management software.

For dairies located in the northeast, please complete this questionnaire and return it with the \$370 setup fee to:

**Dairy One, Attn: Integrated Farming Solutions
730 Warren Road, Ithaca, NY 14850.**

For faster service, you may fax the questionnaire to 607-257-6808 or email to support@dairyone.com.

If your dairy is located outside the Northeast region of the United States, contact Valley Ag. Software at www.vas.com.

Once we receive your questionnaire and setup fee, we will begin the process of getting you started with Dairy Comp 305. If you would like to pay by credit card, please call us.

The steps to getting you started are as follows:

You: Return the completed questionnaire and \$370.00 setup fee. Please contact us if some part of the questionnaire is not clear. You can call 607-375-9963, or e-mail: support@dairyone.com

Confirm that you have read the VAS End-User License Agreement found on the Dairy One website.

I have reviewed and accept the terms and conditions outlined in the VAS End-User License Agreement

We: Assign a person from our team to focus on helping you with startup. Please note that anyone on our team will be prepared to help you, but your assigned "guide" will pay special attention to tracking your progress. Your guide will review the questionnaire, call you with any further questions, determine the best method of load your data, and customize your data file (we call it a "cowfile") and guide you through a web installation.

Licensing and Subscriptions

Prior to installation, you receive an invoice for initial licensing and a prorated monthly subscription fee. This includes a Read Only Shadow License for Dairy Comp 305 or a 1-year subscription for Pocket CowCard (PCC). There will then be an annual subscription fee for each following year.

Daily milk and heat interfacing are available for most major systems. Interfaces do require an additional license and annual subscription.

Please call 607-375-9963 for current pricing.

If you are not satisfied with the program, there is a 90-day money back guarantee in effect from the time your software is shipped. The guarantee excludes the setup fee and LOOP (test day) download charges.

Thank you for choosing Dairy Comp 305 herd management software. We look forward to working with you.
